

Strategic Plan 2023-2028

August 2023

These tenets of our strategic plan will guide The Front Porch for the next five years. We are working on developing specific objectives tied to each strategic statement, and are excited to share those soon.

The Front Porch inspires meaningful community engagement through music education, concerts, and outreach programs.

The Front Porch employs, educates, and reflects a diverse community of music makers and educators.

The Front Porch will continue to enhance the student experience, offering ample opportunities for students of all ages and abilities to play and learn music together.

The Front Porch commits to enhancing and expanding professional excellence among all faculty and full-time staff.

The Front Porch will begin the process of dreaming, designing, and planning for a new home for The Front Porch.
